**SUMMARY OF THE REASONS FOR DECISION:**

The untitled photographic material, also known as *Item 26 A polaroid photograph*, is classified as:  
Unrestricted.

The publication consists of a colour photographic print. The image depicts two nude and semi-nude young women in their mid-teenage years, photographed in a formal pose in a romantic classical style. The publication does not overtly focus on sexual characteristics and the dominant effect is aesthetic rather than sexual.

While the publication exploits the nudity of young persons, it does not do so to an extent or degree, or in a manner, that would render its availability likely to be injurious to the public good. Consequently, no restriction is placed on the publication. The freedom of expression set out in the New Zealand Bill of Rights Act 1990 is not limited by this classification.
